

Acceptable Use Policy

St. Luke's School will make sure that all children have good access to computers to enhance their learning. In return we expect all children to agree to be sensible when using computers.

I understand that:-

- I must use school computers sensibly to make sure I am safe and there is no risk to the school systems or other users.
- The school will monitor my use of all its systems.
- I will NEVER share my password or username nor will I try to get into anyone else's account.
- I will not talk to strangers when I am online.
- I will not share my full name, address or the name of my school when I am online.
- I will report to an adult if I feel uncomfortable or unsure of anything I see when I am online.
- I will report to an adult if I see anything I think might be inappropriate at school when I am online.
- The school systems are for me to use to help me learn.
- I will act towards others as I would like them to act towards me.
- I will not take or use pictures of anyone without their permission.
- When using the internet I should take care to check that the information I am using is true because sometimes information can be wrong.
- The school has the right to take action against me if I act inappropriately when using the computer.

Please complete, sign and return to the school office.
